No.M-35011/6/2026-RD&AD-Part(2)
GOVERNMENT OF MIZORAM
RURAL DEVELOPMENT AND ADMINISTRATION DEPARTMENT
MIZORAM:AIZAWL

Aizawl, the 7th October 2026

NOTIFICATION

In alignment with the national GOBARdhan (Galvanizing Organic Bio-Agro Resources Dhan) initiative and the Mizoram Compressed Bio Gas Policy 2026, the Government of Mizoram is pleased to notify the implementation mechanism for the Market Development and Value-Addition Chain of Fermented Organic Manure (FOM) and Liquid Fermented Organic Manure (LFOM) across all districts in Mizoram.

This policy framework targets the commercialization, quality compliance, and streamlined distribution of organic by-products derived from approved Biogas and Compressed Biogas (CBG) units

1. Objectives:

1) To enforce complete nutrient balance and sustainable agriculture practices by integrating bio-manures alongside existing fertilizer supply networks.
2) To incentivize rural entrepreneurs, Farmer Producer Organizations (FPOs/FPCs), and local aggregators engaged in the CBG value chain.
3) To establish robust feedstock linkages between Urban Local Bodies (ULBs), municipal dump yards, and agricultural mandis for consistent bio-waste processing.

2. Regulatory Compliance & Quality Control:

1) Standard Specifications: All produced and marketed FOM and LFOM must strictly comply with the schedules laid down under the Fertilizer (Control) Order (FCO), 1985.
2) Mandatory Testing: Batches must undergo verification via notified State Agriculture Laboratories or NABL-accredited facilities.
3) Registration: Producers must be actively registered on the Single Window Portal of the State Government or Unified GOBARdhan Portal and configure their off-take through the Integrated Fertilizer Management System (iFMS) portal

3. Market Integration Strategy:

1) FMC Tie-ups: Fertilizer Marketing Companies (FMCs) operational in Mizoram are encouraged to enter into formal Memorandums of Understanding (MoUs) with local CBG operators for branding, packaging, and distribution.
2) Institutional Off-take: Agriculture & Farmers Welfare Department may prioritize public procurement of tested bio-manures for state-run farms, soil health cards distribution camps, and pilot extension initiatives.
3) Primary Agricultural Credit Societies (PACS) and registered state FPOs are nominated as grassroots distributors to ensure accessibility at the village level.

4. State Nodal Agency:

Rural Development and Administration Department shall serve as the monitoring agency to oversee random stock verification, quality cross-checks, and grievance redressal mechanisms relating to FOM/LFOM in coordination with Agriculture & Farmers' Welfare Department.

The State Nodal Agency shall follow the Revised Standard Operating Procedures (SoP) for stock verification, quality checks, and batch certifications issued by the Department of Fertilizers, Ministry of Chemicals & Fertilizers, Government of India vide No.11026/01/2023-PMI-II(e-33756) dated 11th October 2024

Sd/-R ZARZOSANGA
Commissioner & Secretary to the Government
